A COUNTY WIDE ELECTION OF COMMISSIONERS MIGHT HELP THE GLADES

Legislative Doins In Tallahassee By County Delegation

Organized Confusion May Produce Something Constructive Yet

By Ralph J. Blank
Palm Beach County Resources Development Board
Time is rapidly running out for the 1949 session of the Legislature. With more than six weeks of the sixty-day session already expired, very little major legislation has been passed. No one can accuse our solons, however, of not being industrious. A prodigious amount of research and committee work already accomplished may show very successful results in the closing days of the session. Floor leaders in both Houses are frantically trying to speed up the lagging calendar.

The much debated citrus bill, fencing the cattle off the highways and similar measures have been bitterly fought in both Houses with no decision at the present writing. Decision appears near, however, on the big citrus issue as the House appears to be in the final stages of action upon Flood Control measures, five in number, designed to implement the Federal Government's 208 million project seems near.

School Athletics Give Coach Cook A Hamilton Watch

Bright and early Sunday morning Coaches Cooke and Leavitt, accompanied by a group of the "B" club boys composed of the members of the basketball, baseball and football teams, hied themselves off to Ft. Lauderdale for a day at the beach, and casino. The morning was spent at the beach where the packed lunches were massed and delivered, and the afternoon spent in swimming at the fine pool. Returning home they came by way of West Palm Beach, where the group witnessed the Indian and Havana game.

At the close of the noon lunch, Billy Jo Leathers, president of the B club, arose and began speaking to "Bruiser" and in conclusion to show something concrete to measure their respect and appreciation of what the Coach had done for them presented him with a most beautiful pocket watch and chain. The instrument is a 21 jewel, open face, Hamilton brand, of beautiful design. The rear is engraved in raised letters, "To Bruiser from Coach Leathers." The Coach has a little growth in his throat, but managed to make an appropriate acceptance of the timely gift. He stated that he would use it to see that the Golden Rams did not get any over time against his new Trojans.

PAR-TEE LINE Decrease Showing in Produce Shipments As Season Closes

The daily shipments out of the Glades is becoming smaller and smaller with each succeeding day, which means that another winter season is drawing to a close. The showing in the produce market of late has been very good. The report on car movement last week, showed the estimated 8000 car as having been passed, and pre-shipment are premium. Corn took another jump in price last week, after a short slump.

The Vegetable Branch League members and ladies had a social in the evening of the 26th of the year, at the Country club of the Glades, on last Friday night. The club management served a delicious chicken dinner. Later hour entertainment was with dancing and cards.

Independents Flopped In Game With The Pompano Aggregation

The type of baseball which the Pompano team put up in the game of Sunday afternoon, was a travesty upon the national pastime, and naturally Boynton won by a lopsided score of 15 to 5. Up to the final inning the game had been a good one. In that stanza Cherry "took the air" and walked several men. His team mates got the error fever and added to the demoralization, when Pompano put seven runs across the plate. The Independents played the fast Jupiter team at Jupiter next Sunday.

The league leading Saltfishers of Stuart ran up against a snag in the Lake Worth team, at Lake Worth, and lost their first game by a score of 4 to 3, in a pitching duel. Oleschoboe defeated Jupiter 12 to 4; and Cleveland won over Boynton 6 to 1. Belle Glade stands in fifth place in loop figures.

Lee Hayman Leaves Pioneer Growers; Locate In Salisbury

It is with much regret that the citizens of Belle Glade, and over the Glades, receive the news that Lee Hayman is withdrawing his activities in this section to take over the operations of his own business interest in Salisbury, Md. Lee has been a familiar figure around packing house for almost 15 years, first being connected with the N. N. Starling interests and after as a member of the Pioneer Co-Op packing company, for which he worked as a partner, sales manager and auctioneer.

Lee has always been rated as a top man in his capacities. He was genial and friendly to men, and has legion of friends, and his family will be located in their local business, social and fraternal circles. Lee is a charter member of the Belle Glade Lodge of Elks and a past president of the Everglades Branch of the National League of Fresh Fruit and Vegetable Distributors. He is well known in produce circles and has a legion of friends and clients in this business.

The oldest bank in the County, a home-grown and home-owned institution catering to the needs of the agricultural community, the Bank of Pahokee will have moved into its new home on Monday, May 30th, ready to continue business in more spacious and comfortable quarters equipped with the latest office facilities, furniture and fixtures.

The "Yes and No" Man, Mr. Harry McIntosh, and his Officers and Directors are receiving the congratulations of their many patrons in the Glades on the site of the old building, with added ground.

Very favorable spring sales were reported in the unusual growth in assets and deposits of this institution. The last official statement on January 1st of this year, at that time the bank had on deposit \$3,670,755, with loans amounting to \$1,753,427. The current statement shows an increase of deposits of \$2,082,073. There is also shown a

Barbara Hayman As Valedictorian Ellen Hobbs As Salutatorian In Belle Glade High Commencement

With the largest class in its history, 17 boys and 23 girls, to be graduated during impressive commencement exercises on June 3rd, the Belle Glade High School will begin its graduation activities with a baccalaureate service on Sunday 29, according to Principal F. O. Hobson.

Baccalaureate Service will be held at the Auditorium at 8 p.m. with the Rev. B. A. Oswald of the South Bay Baptist Church delivering the sermon. The Rev. Leonard F. Landerwater will offer the invocation, and the Rev. I. E. Enlow the benediction. Marianne Womack, freshman pianist, will play the Processional and the Recessional, and the Glee Club will sing two selections.

On Tuesday, May 31, at 8 p.m. in the Auditorium, the Seniors will present their Class Night program. The curtain will rise on a unique wedding scene with all characters represented by members of the class of '49. The spirit of the fabulous '49ers of the eighteenth hundreds who made the Seminole times by hand work Lady Luck, and bad luck, will be evident. The rest will rise once more to take in the fact as the "Wedding of Miss Class of '49 to Mr. World Service" combines the "old time" spirit with the "new" which must be accepted by the graduates of this class.

Deposits of Bank Of Pahokee Are Increased 65% Since January 1st.

The oldest bank in the County, a home-grown and home-owned institution catering to the needs of the agricultural community, the Bank of Pahokee will have moved into its new home on Monday, May 30th, ready to continue business in more spacious and comfortable quarters equipped with the latest office facilities, furniture and fixtures.

Consistory Ends Spring Reunion With Great Eclat

The spring reunion of Lake Worth Consistory of the Scottish Rite came to a close on Sunday night, after a most successful session. The degrees of Saturday, and Sunday were those of the so called "heavy" degrees of the grades, and each and every one were exemplified in impressive manner before capacity house audiences.

The class will be known as the Harry A. Fausett Memorial Class, an army veteran, in honor of the father of one of the members of the class. Attorney Pascal Reese, past state commander of the American Legion, was the class orator, and he gave a fine address along Masonic lines.

The Consistory is growing and now has in excess of 300 members, and is reported in excellent financial condition. The P. T. Myers delegation in the class, numbering 11 candidates, were given special recognition. That city now has around 75 members of the Consistory.

Those attending from the Glades area were: B. F. Fears, William Allen, G. I. Evans, Wm. B. Baker, Ivan VanHorn, Hans Stein, Oliver Shepherd, and members of the class. Ed. Imes, Hayden Williams, C. E. Critchfield, Sam Knight and Dr. S. J. Simmons.

J. G. Weeks Heads County Masonic Club As Chairman

The Master and Warden's Association of the 22nd Masonic district was formed two years ago, and has now developed into a large and influential body in which the nine lodges of the district have membership representation. The object of the Association is to present Masons opportunity to present their views on matters of importance to the improvement of the lodges, the district and the state jurisdiction, with recommendations for such changes being made by the authoritative bodies.

Elks Will Stage A Family Nite Party On This Saturday

The Elks will give another of their popular "Family Night" parties at the club grounds, on next Saturday night, from 7 on. As the females of the species expressed favor for the barbecue type of meal the Entertainment committee will concur in their wish. Early evening entertainment will be provided for the children. Dancing and cards for adults will follow the supper. The invitation list has been culled to members, their family and house guests, all others are off the free feed list.

Pahokee Lodge of Elks on the evening of June 4th, will have an early evening barbecue, followed later by a social evening of dancing and cards. Belle Glade Elks are invited to attend the function.

Sam Exalted Ruler A. E. Kirrman and Exalted Ruler Sam Derry brought back excellent reports from the district.

New Equipment Is Displayed By The Belle Glade Motors

The Belle Glade Motors company, Charles Bolton, manager, and representatives of the Ford Motor Co. and the Dearborn Equipment company, on last Thursday night, were hosts to around 200 farmer folk, at their annual farm display show. This is a party that the patrons and friends of the company look forward to with anticipation as a very pleasurable affair.

Manager Bolton, for this occasion, had eight Ford's ton tractors on the floor, to each of which was attached a particular type of farm equipment, the product of the Dearborn company, which now has in the Ford company with its specialized equipment.

The exhibits were given thorough inspection, and instructors told of the easy manner of operation and for what types of work each was designed. The Dearborn company now has in excess of 75 such farm pieces, 50 of which have been developed during the past year, some in use in this section.

To attract the attention and whet the guests' appetites, Bolton, had his brother, "Hub" Bolton, an old time fish camp cook, come over and prepare and serve one of his excellent barbecue meals, which was served around 7:30 o'clock. Plates

A FEW OF OUR COMPLAINTS: (1) There has been discussed seriously by many citizens and some of them were candidates for office—an arrangement to consider all parts of the County is brought up abruptly to the thought that little Johnnie needs long pants and is ready to think about the girls; or that Ellen is ready for her first evening frock for a formal party.

The Glades has come of age and it deserves the thoughtful consideration of ALL County Commissioners.

We believe, as do a lot of folks in the Glades and throughout the County, that a gentle reminder of this DUTY OF ALL COUNTY COMMISSIONERS to consider all parts of the County is brought up abruptly to the thought that little Johnnie needs long pants and is ready to think about the girls; or that Ellen is ready for her first evening frock for a formal party.

(2) The Commission is kinda careless with money directly due and owing to the Glades cities.

Judge Johnson Is Tough Against Court Witnesses

Judge Jack Johnson let it be known in no uncertain manner, that when persons come to the police and make charges and when persons are arrested, that unless they appear in court to substantiate their charges, they will be bench warrants issued against them on charges of contempt of court. Two cases were dismissed by the court because the young women who made charges of assault and petty larceny failed to appear in court.

The City police were notified on Monday morning, that some of the unknown parties had made entrance into the Houston department store on Fifth street, gaining entrance through a rear window adjacent to a back door. Survey showed that the store had been broken into, a shirt, some change money and several other trinkets had been stolen.

Sas and J. C. Williams, colored, got into a family quarrel on Monday morning and the former slashed the latter's face across the arm with a butcher knife, wounding him sufficient

Glades Gets \$155,000 To Re-build Road Of Limited Use

Four of Palm Beach County's Commissioners are selected and carried by constituents who live on the east coast. Both the constituents and the Commissioners love the Glades as an up-and-coming progeny of environment nurtured by the Coast.

We appreciate this affection but believe our coming age has come on something like a youngster in high school—the parents is brought up abruptly to the thought that little Johnnie needs long pants and is ready to think about the girls; or that Ellen is ready for her first evening frock for a formal party.

There's a law which provides that a certain to that in Pinellas County, where the Glades collected in a special bridge and road district will be returned to city within that district. In August of '48 there became due to Belle Glade \$663.85 under this law it is claimed. The record indicates that check No. 1772, dated August 19, 1948, was issued to cover this. City Clerk, who contains the names of the City's funds, knows nothing of this money being received.

OBSERVATION and Comment By John M. Gledhill

The Loyal Order of Moose, formally instituted in Belle Glade on a recent Sunday, gave a charter membership list which contains the names of some mighty good and prominent men of the section. The list is a record for the state, in that out of the 106 members initiated in the first charter session, 92 of them had paid their full initiation fee. The lodge also chose some very capable men to fill the officers' chairs. A club home is the next big project of the organization.

Dropped in at the High School building, and wandered into the gym and there I found groups of children of the Sopomores and the juniors, and dancing lessons. Those who could dance were generously teaching the steps to the ones who were unacquainted with them. Kids learn dancing early these days, and the ones who do not know how to dance are pretty much wall flowers at school activity parties. Dancing is a part of the recreational training program.

DESSERT-BRIDGE FOR MRS. LEE HAYMAN

A dessert bridge was given at the Country Club of the Everglades Friday afternoon by Mrs. George Williams and Mrs. Hayman Williams honoring Mrs. B. Lee Hayman who is moving to Salisbury, Maryland in June.

Red and white was the color scheme carried out with a floral arrangement of red hibiscus centering the entire length of the refreshment table. Strawberry shortcake was served to guests on the porch, and after they were seated, Mrs. Hayman

was presented with an orchid corsage and a sterling silver sugar and creamer in her "Rose" pattern. Happy birthday was sung to Mrs. Guy Wood who was one of the guests.

Card games were played during the afternoon, with bridge score prizes being awarded to Mrs. Hayman, Mrs. Thomas Bregger, and Mrs. Robert Cameron. The Rummy prizes went to Mrs. Faye Rudy, and Mrs. Jerry McKee.

Markham Given Fine Order For Glades Honey By Federal Government

Floyd C. Markham, the bee and honey man, states that the present weather is a boon to the bees and the honey man, as it affords ideal condition for the gathering of the nectar from the flower blooms. Being little water in the nectar it is deposited into the comb in almost pure honey condition. Markham is expecting to garner an exceptionally good honey crop from his bee colonies located thru the Glades.

The U. S. Department of Agriculture, recently placed an order with Mr. Markham for two car loads of his best honey, which it will use in school lunch, institution and service uses.

This fine order, indirectly came to Markham, as a result of his prize winning honey exhibit at the Tampa fair last March. He also reports receipt of many good orders from all parts of the state due to the Tampa exhibit, including hotels, cafes and hospitals.

Miss Doreen Mathewson was selected to attend Girls State in Tallahassee this year during regular meeting of the American Legion Auxiliary on Monday night.

Mr. Anna Securan was presented with her past president's pin by Mrs. Ruth Beck who presided over the business session.

It was decided to hold meetings this summer at the homes of members for the purpose of sewing for rehabilitation work. The first meeting will be at the home of Mrs. Edith Kirchman on the 27 of June.

James Campbell had a brush with the law, when he was arraigned in police court charged with buying and having in his possession certain truck tires, which he had brought off a man, who has now "gone up the line".

As Campbell told a straight story, and had restored the tires to their owners, the court dismissed the case against him.

Tom and Ollie Peterman, two husky brothers, got into a fist fight on Sunday, in which a base ball bat figured, over a minor disagreement. The two of them left \$25 and costs in the municipal court funds.

Calvin Davis chose the center

of a sidewalk on Fifth street as a place to bed down for a snooze. When he awoke at the police station he was so drunk that officers had to carry him to the cell. Calvin paid the city \$15.00 for all the attention the city gave him.

Jesse Frederick permitted an adjoining room made the privilege of using his cook stove, but got "sore" when the fellow would not share the food. A butcher knife and ice pick figured in the melee which followed, along with a lot of profanity and threatening. The court held that Frederick, who has a court record, had busted the law to the extent of \$30 and costs.

Markham Given Fine Order For Glades Honey By Federal Government

Floyd C. Markham, the bee and honey man, states that the present weather is a boon to the bees and the honey man, as it affords ideal condition for the gathering of the nectar from the flower blooms. Being little water in the nectar it is deposited into the comb in almost pure honey condition. Markham is expecting to garner an exceptionally good honey crop from his bee colonies located thru the Glades.

The U. S. Department of Agriculture, recently placed an order with Mr. Markham for two car loads of his best honey, which it will use in school lunch, institution and service uses.

This fine order, indirectly came to Markham, as a result of his prize winning honey exhibit at the Tampa fair last March. He also reports receipt of many good orders from all parts of the state due to the Tampa exhibit, including hotels, cafes and hospitals.

Deputy Sheriff Gross Finds Man in Terrible Shape From Head Wounds

Deputy Sheriff Gibbs Gross, in performance of his duties, received a call to the government camp at Sand Cut, and there found John Holt, a negro in bad shape, from a badly battered head, as a result of a beating inflicted by a beer bottle. The assault had been committed on May 6th, and it was not until a week later that Holt was found in his cottage. Glad had the negro removed to the Everglades hospital at Pahokee, where he died on last Friday morning.

Holt stated that on May 6th, that he had loaned Reese Bredette \$4, which he promised to pay back. When he did come to the house he had no money and asked Holt for more money, which was refused. Holt stated he turned over and again went to sleep, and was never aware of the attack as he been rendered unconscious from the blows.

Deputy Sheriff Frank O'Connell got track of Bredette who was a crop picker, and caused his arrest in North Carolina, where he was held for Palm Beach county law officials.

dent of the Branch, announced the leaving the Glades and the Pioneer Growers, to take up commercial business relations in New Jersey.

Field corn is reported as growing and maturing in a satisfactory condition. Conditions have made it necessary for pretty heavy dusting the past ten days in these damaged areas and early weathers have certainly got deadly lethal dose of DDT combination.

At the convention of the Florida Fruit and Vegetable Association, of which Mont Gray, president of the association, and manager, held in Clewiston, made recommendation that shippers of tomatoes and other kindred produce, and the wire bound tub crate. Tariff rates will be established for the shipping and loading of the above named types of others, if used, will take a higher differential tariff rate. The "Do-All" general sales office was recommended for adoption, all allegedly on the grounds that its features, were practically covered by the three other recommended cartons. The use of field crate shipments were also considered.

Story Of Air Plane Development Shown In Interesting Film

Members of the Lions club heard reports given of the State Convention at St. Petersburg, on May 18th, by President H. V. Draa and First-Vice President Herman Close. Other reports by delegates will be presented next week.

The entertainment of the day was the showing of a movie entitled "Flight," which told and depicted the growth of American air power. This picture stressed that air power was the peace power of today and the future, and pointing out that a reserve air force is not only needed but imperative, if our nation desired to hold the world power of the present day.

Lions To Entertain In Club Banquet And Joint Installation

The Belle Glade Lions club at its Wednesday meeting, decided to acquiesce to the request of the four clubs of the Glades region to hold the annual banquet and joint installation in Belle Glade. Clewiston club last year had requested the affair, but found that it could not be held satisfactorily, and Pahokee had no place sufficiently large to handle the customary crowd attending. The

time, place and cost of the banquet in left in the hands of the Lions council to determine these facts, to be announced at the next club meeting.

A special picture was shown of the famed German concentration camps and the atrocities inhumanities and cruelties practiced upon the unfortunate people imprisoned in the death holes, where hundreds of thousands died.

We are moving in our new building this week end and will be open for business in the new building Monday morning, May 30th.

We greatly appreciate your cooperation, patience and indulgence during the past seven months while we were operating with limited facilities.

Your generous patronage and loyalty has helped make this dream of a new building come true.

We sincerely hope that we will have the opportunity and pleasure of serving you in the years to come.

We had hoped that all of our equipment would be in by this date but there will be a delay of about 30 days in securing new safe deposit boxes, which we regret.

The building will be air conditioned for your comfort. We extend to you a cordial invitation to visit with us at anytime.

Again let us say thank you.

Car Wrecks Sends Two Men To Hospital

A car driven by J. W. Faircloth of Canal Point struck the railing on the State Road No. 88 bridge between the Baptist Church and the South Bay depot about mid-night Saturday night and demolished the railing on one side and the car. He was accompanied by Warren Burns, also of Canal Point.

J. W. Warren of the South Bay police force and Deputy Constable Raymond Mock investigated the accident. The two men were taken to the Belle Glade Hospital for first aid from minor injuries. Faircloth had several stitches taken in his face and nose to close the cuts. They were lodged in jail

and later gave bond for appearance in police court, on charges of reckless driving. The driver claimed he was blinded by the lights of an approaching truck and he failed to see the bridge.

The State Road Department repaired the bridge Monday.

Golden Rams Defeat Ft. Pierce Eagles In Final Contest

Every baseball fan and friend of the Golden Ram baseball team will want to visit Mennis field this Friday afternoon, when the Golden Rams and the Key West Conchs meet in a double header for conference division honors.

School officials made it possible that the games be played in Belle Glade. The first game will be called at 1:30 and the second shortly after 3 o'clock. If there is a division of these games, then the play off game will likely be played here on Saturday morning, so that the Rams will not need to make the long trek to Key West for the final game. Should either team win the double header that will wind up the semi-final playoffs, and the winner will go to the state contest in Avon Park, on June 8th.

The records of the Conference games as compiled by school authorities are as follows:

| Team | W | L | Per |
|-------------|---|---|------|
| Ft. Pierce | 5 | 1 | .833 |
| Belle Glade | 4 | 2 | .667 |
| Lake Worth | 2 | 4 | .333 |
| Vero Beach | 1 | 5 | .167 |

The above figures may cause

some wonderment as to why the Belle Glade Rams are playing in the conference playoffs. When Ft. Pierce lead the conference.

The Rams agreed at the start of the season that the first two top teams in each section of the district would play off a play-off game to determine which team should have the honor of representing the district in the semi-finals. Belle Glade won this game by a score of 4 to 1 from Ft. Pierce and in that manner won the position to play off game.

Our Golden Ram baseball team went over to Ft. Pierce, Thursday night, May 19th, to attempt to win a game of baseball from the Golden Eagles, in a contest which would determine the winners of the league race in the north portion of District 8. Both teams had one up on each other, an this was the first of games, and Glory Be, our Ram came out as winner by a score of 4 to 1.

Ft. Pierce was rather cocky when they took the field, for they were elated over eliminating Lake Worth, by a big score, and then they had their crack swift ball pitcher Carrera for the game, who had previously defeated the Rams.

Well, our own Tommy Williams, proved that he had a good game in that trusty arm of his, as he held Ft. Pierce to five hits and struck out a dozen or more Eagles. Hits were even, but the Rams were productive of scores, and the four errors made by the Eagles helped in the Ram's victory. The Rams played a good steady game and made only one bobbie in the field.

The Eagles were a dejected team when the game ended, but sportsmen enough to congratulate the winner in the victory. In the fourth district game between Key West and South Inland at Hollywood, Friday night, the Spanish lads took the measure of the Belle Glade opponents of the Belle Glade Rams, in a series of three games, which were played during the week. The West team was a strong and versatile team and the Rams have a real task before them to top games, be it one, two or three. The winner of this three game series will be the District 8 representative in state Class B semi-finals and finals, the schedule for which and the playing of same are to be announced.

NEW EQUIPMENT IS Continued from page 1 of the "fit for the God food," were carried from the service table, and soon there was wiping of fingers and licking of lips and expression of delight as the food was used for its intended use. Charlie stated he wanted the food to be on the same basis of excellence as the Ford and Dearborn products, and he made good on that effort. The "seconds" sign was very hospitably displayed after serving of the first round of food.

Following the supper, the company assembled in the sales room, where special trade films were shown, one devoted to the Ford products, and the other to the Dearborn equipment, which showed the construction, new additions and how each could be utilized in Glades farming. Bolton stated that the horse and mule had about passed out of the farm pictures in the Glades and that farm work was being done by a battery of around 400 Fordsons and its associate equipment. This he claimed did away with much heavy work, quicker accomplishment, better farming and crops, and a big saving to modern farm equipment operators.

Mr. Bolton also told his patrons and potential clients that the Glades Motor Company, Ltd., during the summer would put into force a new credit and personal farm inspection program, which would give quick and efficient service at the shop or in the field. Part of this work would be done through a new testing machine, which would immediately locate the seat of trouble and end to cut down time for making repairs.

That he would stock a full line of parts for tractors and equipment and a special corps of mechanics for making all repairs.

A new building is also in contemplation which will house the tractor and equipment business, aside from the regular auto department work. All left with the idea that they had been educated, fed and been very profitably entertained at a successful party.

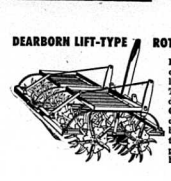

Pahokee Masonic Past Master's Nite Largely Attended

One of the largest attendances ever recorded at a Past Master's night in Everglades Lodge, No. 211, F. and A. M., of Pahokee, was present in the hall, Tuesday night, May 17th. Visitors were present from W. Palm Beach, Okeechobee, Moore

Haven, Clewiston and Belle Glade, causing a crowded house. As is customary on these occasions the Master's degree was conferred on four candidates, by a staff of Past Master's headed by Rowell Harrington, in the Master's chair. A feature was the delivering of the lecture of the degree by Past District Deputy Joseph Linderman of West Palm Beach. The customary generous lunch was served following the lodge session. Those in attendance from Belle Glade were: G. I. Evans, Wm. Evans, William Allen, Hans Stein, L. E. Will, John M. Gledhill, Gerald Tatum, Clyde Crosby, William Jeffries, Chas. Cummerford, Joe Cherry, Jr., Bob Blair, Jack Royals, Ray Browne, Frank Kelley, senior and junior, Jack O. Johnson, John Kirk, O. S. Sheppard, C. E. Critchfield, D. R. Kemper, Wendell Lyon, J. C. BELLE GLADE, FLA.

A COUNTY WIDE Continued from Page 1 South Bay officials report that it has never received its share of this money.

(3) There's, we think, a bit of disregard concerning our—The Glades—receiving a fair share

on the spending of anticipated proceeds of one cent of the gas tax money.

Governor Holland originated, and put over a plan to establish money available for road building from gasoline tax. There was a provision that income for

years to come could be hypothesized—that's a bond term, which in Glades means "mortgaging" so that the money is available at once. We can enjoy the roads while we pay, just like you do a radio, washing machine or a car. It's a common practice, and serves a lot of good purposes.

Sometimes the "pay-as-you-go" is made and "installments" arranged for the new car while little Johnny wears year-before-last's Sunday suit, or the house left unpainted and the roof left leaky.

The bond boys came forward and showed the Commission how it could hypothecate our expected income from one cent gas tax for fifteen years and get \$3,600,000 to let Palm Beach County enjoy better road facilities while the County paid for them. That's good; we gladdened the County got the \$3,600,000, cause we have main traveled roads that need fixin. Shake boys, we're getting somewhere!

The day comes to divide the money and find out where it will be spent, and here's what happened.

(a) Congress Avenue and Military Trail each get a bridge REBUILT.

(b) Lantana gets a bridge REBUILT.

(c) Delray gets a bridge REBUILT.

(d) Southern Boulevard gets a bridge REBUILT.

(e) Numerous other east coast communities get roads, bridges and other aids to more comfortable automobile travel.

(f) The road from Twenty-Mile-Bend, eastward gets the holes taken out.

(g) The Muck country gets a

little less than \$100,000 and its used to REBUILD Bacom Point Road from Pahokee to their Airport. This includes some two miles of clearing and grading. Now, this looks like it's scattered—\$9 per foot on the East Coast. We have a share in that anticipated one cent gas tax and kinds believe its more than 3 percent. We're not against any of these projects; they're probably all desirable and some needed badly.

We are under the impression, however, that between the bond boys and the Commission, the bucket was almost dry when the Glades projects came up—not intentionally, of course; just one of those things.

We believe it will make County Commission dispensations more democratic and equally distributed if each Commissioner is answerable to the entire county electorate.

Other counties have found this system makes for equity and efficiency.

State Game Warden Arrested On A Boat Leg Fishing Charge

An AP message of Tallahassee stated that L. P. Dupree, a conservation officer stationed at Clewiston, was under arrest by action of the State Game Commission, on an alleged charge of accepting a bribe in fish bootlegging offense, in which he permitted illegal fishing and sale of game fish.

Dupree was an inspector working with special singing crews, and the Commission charged that he allowed a second submerged net to be attached to the boat, so that when game fish were thrown overboard they would enter it, and later that the fish were removed and sold in Georgia, mostly bream and bass.

Dupree was released under bond of \$1500 in the court at LaBelle to await prosecution. Detectives also stated to have been working to get evidence against Dupree for several weeks past.

At a later hearing in LaBelle before a Circuit Judge, Dupree confessed his guilt and was sentenced two years imprisonment at Raiford. It is expected that other arrests for similar charges will be made. Dupree admitted that he got a three cent a pound racket.

J. W. WEEKS TO HEAD Continued From Page One bers and attend the body gatherings.

Everglades lodge at Pahokee, on Friday night, entertained the May meeting with some 40 present. Chester Wright, president over the session and Charles Maynard, was the acting secretary.

The meeting took on a round table form, the most important topic being "The Need of an Official Key to the Secret Word and Lectures of the Blue Lodge degrees." Sentiment was unanimous in favor of such a key, but no action was taken until after conference with high officials of the state.

J. G. Weeks, who has served Everglades lodge twice as master, and as District Deputy Grand Master, was elected Chairman of the Association for 1949-50.

A resolution was enacted which congratulated Hon. William Hendry, of Okeechobee, on being named as the new District Deputy by Most Worshipful Grand Master Wayne Allen, for the 22nd district, and extending him a promise of full support of the lodges of the district in his official work. Also a like resolution to Claude Finley, of West Palm Beach, as District Instructor, who succeeds Ralph Jewel, in that position.

The Pahokee lodge set out a most appetizing lunch which all enjoyed. The invitation of Ft. Pierce lodge to meet with it in June was accepted.

Grand Master Wayne Allen and his staff have accepted an invitation to lay the corner stone of the new hospital building at Pahokee, at a date to be determined. Work on this structure is well along in construction.

Those attending from Belle Glade were: J. B. Cherry, L. E. Will, Jack Royals, Charles Maynard and John M. Gledhill.

LEGISLATURE DOINS Continued from page 1

ization has directed and led a continuous fight since the opening day of the session for Florida's participation in the Federal Government's program, which is of far reaching economic importance to South Florida and particularly to all parts of Palm Beach County.

Several committee meetings held during the past week have resulted in favorable reports upon all flood control bills but persistent rumors indicate Martin and Indian River County delegations will lead a determined fight on the floor of both Houses to be excluded from the Central and South Florida District, not wishing to pay any part of the one mill ad valorem tax for maintenance of the works if failed to con-

ply with Uncle Sam's stipulation covering local cooperation. Few people who have studied the U. S. Engineer's plan believe the full one mill maintenance tax will be needed for many years.

Many bills affecting municipal charters of Palm Beach County were introduced in one or both houses the past week. Four affecting the City of Belle Glade have passed both Houses; two for the City of Delray Beach passed the House. A series of charter changes and bills were received from the City of West Palm Beach and were passed in the Senate by Senator Beauchamp. The bill creating the proposed Palm Beach-West Palm Beach Sanitary District with referendum attached appeared in Tallahassee during the week. The bills creating the South Western and North Western Palm Beach County Hospital Boards and one dissolving the original Western Palm Beach County Hospital Board have become laws. The South Shore Drainage District bill permitting increased levy for reduced pumping purposes was approved by the House of Representatives. Many other local bills are in various stages of

passage of under the careful scrutiny of our delegation.

The tax question along with Water Control and funds for Health and Education loom largest in the waning days of one of the most turbulent and chaotic sessions ever confronted by our lawmakers at Tallahassee. On every hand we hear more and more talk of a new tax, not to be an outright sales tax in name but perhaps a compromise of many sneezes of thought trying to find a new and sound broadened tax base fair to retail, wholesale and the public, from the poorer, paid laborer to the rich, and one which will not cripple our industrial, agricultural or agricultural expansion.
